There has been a massive growth of 45% in the number of hairdressing, barbering and beauty businesses over the past five years.

An economic value report by the Hair and Barber Council and BABTAC (British Association of Beauty Therapy & Cosmetology) has found the hair and beauty industry is worth £6.6 billion to the UK economy.

# TESTIMONIALS

Leicester Barbering Academy

53-55 Belgrave Gate, Leicester

5.0 ★★★★★

“ WE THINK IT’S NOT JUST ABOUT PROVIDING YOU THE SKILLS TO BE ABLE TO CUT HAIR BUT ALSO GIVING YOU THE RIGHT KNOWLEDGE AND TOOLS SO YOU CAN GO ON AND BUILD A CAREER WITH BARBERING. ”

- VIN  
Academy Director

---

“Vin is a great person, he is very approachable, and he is so much more than a Barbering teacher - he is a mentor, and he cares about you, he will look in every detail and aspect to find you the best technique so you can do your job. I was a barber, on and off, when I did my qualifications with Leicester Barbering Academy.

Vin gave me the confidence with his mentoring and today I have a job where I can charge £25 for a haircut and beard trim. He taught me how to use scissors properly and today I am so much confident. The money I paid for my course was really nothing for the knowledge I got with it...”

- FILIPE MOREIRA,  
FORMER STUDENT

---

“Studying at Leicester Barbering Academy was an amazing experience from the first minute to the last one. I learned something new at every lesson and my progress was very quick. Vin is the perfect teacher. He did not just teach me barbering skills but helped me overcome my shyness and made me feel so much more comfortable in what I am doing”.

- MARTIN KUŠPÁL,  
FORMER STUDENT
